

You're a Friend, But Are You a Friend of NU Theatre?

NIAGARA UNIVERSITY THEATRE

- The Friends of Niagara University Theatre is a nonprofit organization dedicated to assisting the theatre by supporting student and faculty development, production costs and equipment purchases.
- Joining the Friends will not only help us continue to improve our new facility and future productions, but will also afford us the ability to bring guest mentors to work with our students.
- Our Friends are “kept in the loop” with our annual newsletter.
- Friends also receive discounts to all NU Theatre productions.
- Your generosity will help assure that our talented theatre students, faculty and staff will continue to benefit from your generous contributions.
- We need your help. Thank you for your consideration and Friendship.
